

Climate Protection Certificate 2017

SCL Italia SpA

has consigned packaging to recovery through RIGK GmbH in the year 2017.

Your contribution to climate protection:

By consigning this material to recycling,
8,84 t greenhouse gas was saved in
absolute terms.*

This corresponds to the greenhouse gas emissions which
637 trees in Europe bind every year.

On behalf of the climate and the environment we say „Thank you“.
