## **QUALITY AND FOOD SAFETY POLICY**

**Químicos Essiod S.A. is a company dedicated to the development, production, marketing, and dispatch of polyaminocarboxylic chelating agents and their salts for various industries, and additionally, nutrients for the agribusiness.**

**Our policy is to be the Argentine Company with the greatest presence in the global market for the products we produce.**

To achieve this, the Management of QUIMICOS ESSIOD S.A. is committed to the following principles:

- Provide our customers with products that meet the highest standards of quality and food safety, avoiding the occurrence of risks of any kind in them.
- Comply with the requirements agreed upon with customers, as well as all legal and regulatory requirements associated with the industry.
- Continuously improve the quality of our products and services through the periodic review of the Quality and Food Safety Management System.
- Promote an organizational culture focused on quality and food safety, promoting the shared responsibility of all employees.
- Meet the training needs of our staff regarding the Systems of Management implemented.
- Maintain communication channels, both internal and external, that allow responding to demands for information related to the implemented management systems.
- Provide training and resources to our collaborators to prevent damage and deterioration of health.
- Provide adequate infrastructure for production, sales, and collection, which allows achieving the company's purposes.
- Manage strategies to minimize waste generated in our operations.

All these principles are based on the values that guide Químicos Essiod S.A.: honesty, responsibility, trust, respect, and commitment. Management adopts the establishment and review of Quality and Food Safety Objectives, taking this Policy as a reference. Likewise, it considers that the Policy is appropriate to the purpose and context of the organization and is responsible for its dissemination, understanding, and compliance.
